

Honda Group of companies in India donate Rs 3 crores for flood relief in Kerala

New Delhi, August 23, 2018: Strengthening its commitment to strive to be a company the society wants to exist, all the group companies of Honda Motor Company operating in India, today announced a contribution of Rs 3 crores towards the relief and recovery efforts for Kerala post the devastation caused by torrential rains and the worst flood crisis that the state has seen in the century.

The contribution is aimed at providing relief and rehabilitation for affected people and reconstruction of areas devastated by the floods that hit the state in August.

Cheques amounting to Rs 3 crores were handed over to the Prime Minister's National Relief Fund in New Delhi today.

Official statement of Honda group companies:

"Honda family expresses our deepest empathy to all the affected people of Kerala who lost their dear ones, their homes and their livelihoods in this colossal calamity. As a responsible corporate, Honda group in India is committed to contribute in restoration of the devastated infrastructure and helping rebuild lives of the affected people. We will further support the local community and our customers in the state through our various support initiatives in the coming days."

All Honda group companies in India - Honda Motorcycle & Scooter India Pvt Ltd., Honda Cars India Ltd., Honda Siel Power Products Ltd, Honda R&D (India) Pvt. Ltd and Honda Motor India Pvt. Ltd have contributed towards the reconstruction and recovery of the region.

Honda is at the forefront to provide all kind of possible support to Kerala dealers and Customers.
