

PRESS RELEASE

Honda Cars India launches CNG-ready Honda Amaze

February 12, 2015: Honda Cars India Ltd. (HCIL), leading manufacturer of premium cars in India, today launched its CNG-ready variant of the family-sedan Honda Amaze. The new variant **Amaze 1.2 S MT Plus (i-VTEC)** is modified petrol Honda Amaze which is compatible for CNG fuel option. The Honda Amaze has been a runaway success in India since its launch in 2013 with over 1.30 lakh happy customers in the country and the new variant with bi-fuel option of Petrol/ CNG is being offered in the market to meet the needs of customers who are looking for an alternate fuel vehicle with high performance and low running cost.

The Honda approved CNG kit will be fitted to the new variant 1.2 S MT Plus (i-VTEC) at Honda Dealerships located in cities where CNG fuel is available in the country. This CNG ready variant of Amaze has been specially tuned during production for CNG compatibility by way of optimizing the suspension, application of CNG specific engine components & specially prepared wiring harnesses to ensure high level of quality. The new variant will come with a 2-year warranty as standard value for all buyers.

Commenting on the introduction of the new variant, Mr. Jnaneswar Sen, Senior Vice President, Marketing and Sales, Honda Cars India said, "At HCIL, we constantly work towards enhancing customer experience through our products and services. We are extremely happy to bring the Amaze with a CNG option for our customers, which will not only be cheaper to run and maintain but also eco-friendly."

The price of the new variant (ex-showroom Delhi) is:

Amaze	1.2 S MT Plus (i-VTEC)	Rs. 599,585
	Amaze CNG kit including installation	Rs. 54,315

CNG Endorsement Charges (Extra)
