

## PRESS INFORMATION

### **HCIL to carry out Preventive Inspection of EPS Sensor Harness in 7,290 units of Honda Amaze**

**New Delhi, 20<sup>th</sup> July 2018:** Honda Cars India Ltd.(HCIL) today announced that it would carry out a Product Update of the EPS (Electric-Assist Power Steering) Sensor harness by inspecting 7,290 units of Honda Amaze manufactured from 17 April 2018 to 24 May 2018.

There is a possibility that in some of these cars, the customers may feel the steering heavier and EPS indicator light comes on. HCIL will voluntarily replace the EPS column unit after inspection, if required.

The inspection and replacement would be carried out free of cost at authorized Honda car dealerships across India starting from 26<sup>th</sup> July 2018 and the owners will be contacted individually.

The customers can check whether their cars are covered under this Product Update campaign by submitting their 17 character alpha-numeric Vehicle Identification Number (VIN) on the special microsite which has been created on the company's website ([www.hondacarindia.com](http://www.hondacarindia.com)).

#### **About Honda Cars India Ltd**

Honda Cars India Ltd., (HCIL) leading manufacturer of passenger cars in India was established in December 1995 with a commitment to provide Honda's latest passenger car models and technologies, to the Indian customers. HCIL has two state-of-the-art manufacturing facilities at Greater Noida, U.P and Tapukara, Distt. Alwar, Rajasthan.
