HCIL expands its campaign to replace Air Bag inflators in India

New Delhi, 18 September 2015: Honda Cars India Ltd (HCIL) today announced that it will voluntarily replace Airbag inflators of 223,578 vehicles of **previous generations of CR-V, Civic, City and Jazz** as part of Honda's preventive global recall campaign concerning Air Bag inflators.

The replacement would be carried out free of cost at HCIL dealerships across India in a phased manner, starting from 12th October 2015, and the company will communicate with customers directly.

Model	Year of Make	Number of Inflators to be replaced (some vehicles require both type replacement)		No. of Affected Vehicles
		Driver Side Airbag Inflator	Passenger Side Airbag Inflator	
CR-V	2004 - 2011	8330	11495	13073
Civic	2003 - 2012	54288	40083	54290
City	2007 - 2012	140508	2646	140508
Jazz	2009 - 2011	15707	-	15707
TOTAL				223,578

The customers can also check whether their car will be covered under this campaign by submitting their 17 character alpha-numeric Vehicle Identification Number (VIN) on the special microsite which has been created on the company's website (www.hondacarindia.com).
