HCIL to replace Fuel Return Pipe in 64,428 units of diesel variants of City and 25,782 units of diesel variants of Mobilio

New Delhi, 10 December 2015: Honda Cars India Ltd (HCIL) today announced that it would recall **64,428 units of diesel variants of Honda City** manufactured from Dec'13 to Jul'15 and **25,782 units of diesel variants of Honda Mobilio** manufactured from Jun'14 to Jul'15 to voluntarily replace the Fuel Return Pipe of these vehicles.

There is a possibility that in some of these cars, the Fuel Return Pipe may come out, resulting in fuel leakage and leading to engine stoppage.

The Fuel Return Pipe and related parts will be replaced free of cost at HCIL dealerships across India from 19th December 2015 in a phased manner and the owners will be contacted individually. The customers can also check whether their car is covered under this campaign by submitting their 17 character alphanumeric Vehicle Identification Number (VIN) on the special microsite which has been created on the company's website (www.hondacarindia.com).
