HCIL expands its campaign to replace Driver-Side Air Bag inflators in India

New Delhi, 19 February 2016: Honda Cars India Ltd (HCIL) today announced that it will voluntarily replace Driver Side Airbag inflators of **57,676 vehicles of previous generation of City, Jazz and Civic** as part of Honda's preventive global recall campaign concerning Air Bag inflators.

The replacement would be carried out free of cost at HCIL dealerships across India in a phased manner, starting from 20th February 2016, and the company will communicate with customers directly.

Model	Manufacturing Period	No of Affected Vehicles
City	January 2012 - June 2013	49,572
Jazz	February 2012 - February 2013	7,504
Civic	January 2012 - August 2012	600
TOTAL		57,676

The customers can also check whether their car will be covered under this campaign by submitting their 17 character alpha-numeric Vehicle Identification Number (VIN) on the special microsite which has been created on the company's website (www.hondacarindia.com).
