Honda Cars India Ltd. registers 47% growth in November 2017

New Delhi, December 1st, 2017: Honda Cars India Ltd. (HCIL), leading manufacturer of passenger cars in India, registered monthly **domestic sales of 11,819 units** in **November 2017** against **8,029 units** in the corresponding month last year.

The company has **registered a cumulative growth of 19%** selling **117,322 units during April-November period in 2017**, against **98,451 units** in the corresponding period of April – November in 2016.

Mr. Yoichiro Ueno, President and CEO, Honda Cars India Ltd. said, “Last year HCIL sales in November were severely affected by demonetization. Although Nov volumes this year have shown improvement over last year, the market is still to recover fully from the GST related changes affecting consumers at large.”

“On a cumulative basis, HCIL sales have grown by 19% backed by strong performance of our models across markets and it gives us confidence that we will have good growth in this fiscal year,” he added.

Model wise sales break-up for November 2017:	
Brio	154
Jazz	2,039
Amaze	1,976
City	3,315
WR-V	3,521
BR-V	793
CR-V	21
Domestic Total	11,819
